## General Information

Birth Date	: April 10, 1988
Gender/Marriage Status	: Man/Married
Driver License	: B
Address	: Atatürk Bulv.. Cumhuriyet Mah. Bizimkent Sitesi A-04 D:51 İstanbul/Beylikdüzü

## Abstract

I am an application developer for web and mobile platforms. I worked on PHP, Python, NodeJS, Swift languages and mainly focused on PHP Frameworks (Slim Framework, Symfony 2), PHP Design Patterns (MVC, Singleton, Adapter, Registry, Dependency Integration, Decorator, ...etc). I also worked on SMPP v3.4 and SMPP v5.0 protocol, GSM 03.38, GSM 03.40 specifically.

IOS Core Bluetooth, Bluetooth LE and iBeacon are my hobbies.

## Technologies

### Likes :

PHP, PHP Framework, Python, Objective-C, Swift, Xcode, Javascript, NodeJS, MVC, Design Patterns, Bluetooth LE, IOS Core Bluetooth, iBeacon, SMPP, Redis, MySQL

### Dislikes:

Flash

## Experiences
